In general interest

- In order to ensure that the procedures in the rings and in the outdoor area are not disturbed, we ask you to **keep your dogs on a leash on the showground**. Near the sports ground you will find several opportunities for a walk.
- **On the exhibition grounds and on the hotel grounds trash bins are set up in which you please dispose the excrements of your dog.**
Therefore, we are a welcomed guest in the coming year as well!
- According to VDH Exhibition Regulations § 4 (5) **bitches in heat may be presented on official dog shows.**
Out of consideration to the male dogs, we ask you not to bring bitches in heat on the exhibition site! If your female unexpectedly comes into heat and is already registered, we will refund your registration fee (minus the OnlineDogShows processing fee) if you do not participate.
Thank you for your understanding!

We look forward to the active participation of many Doezen friends from Germany and abroad – and hope for good weather!
